#34

OPERITEL CORPORATION IS PROFIT HOT

Operitel was selected as one of the "PROFIT HOT 50" companies published annually by PROFIT: Your Guide to Business Success magazine. Operitel's phenomenal growth over the past two years rocketed the Peterborough-based firm on to the PROFIT list of Canada's Emerging Growth Companies. Operitel achieved its rank based on sales growth of 195 percent over the past two years (2004-2005).

The PROFIT HOT 50 is the definitive ranking of emerging Canadian growth companies. Published in the October issue of PROFIT magazine and online at PROFITguide.com, the PROFIT HOT 50 ranks young firms by two-year sales growth.

"It's an honor to be recognized in the PROFIT HOT 50 as a company that has displayed both strong financial management and steady growth since our inception," said Michael Skinner, President and CEO of Operitel. "By providing our clients with the highest quality solutions and support and paying close attention to their needs, our company and our solutions have been recognized for their superiority. In such a highly competitive and evolving industry, I am delighted with our success. It is a true testament to the hard work and dedication of our employees
